

Dear Holiday Maker

Thank you for your enquiry regarding INSH HALL SKI LODGE and LOCH INSH WATERSPORTS.

INSH HALL SKI LODGE offers very comfortable en-suite accommodation and is situated just 150 metres from the beach of scenic Loch Insh. Set in the wooded foothills of the Cairngorms, Insh Hall Lodge is ideal for a walking, cycling or boating holiday ~ or just for relaxing and enjoying the scenery!

The twin or double en-suite rooms are small but cosy for couples, and family rooms consist of twin beds and bunk beds with shower, toilet and basin. All en-suite rooms are available with TV, coffee and tea. Facilities at the Hall include Sauna, Small Weights Room, Table Tennis, Laundry and Volleyball at the beach. There are now three Children's Adventure Play Areas and the Lochside / Forest Interpretation Trail has been extended to 3km through the RSPB site. The Scottish Tourist Board has graded Insh Hall Lodge as 1-Star.

The rooms may be booked without the necessity of taking part in summer or winter activities.

LOCH INSH WATERSPORTS was recently voted "Best on the Water" in Scotland and "Best Small Business in the Highlands 2000" and is now a Scottish Tourist Board 4-Star Visitor Attraction. During the winter time skiing and snowboarding packages are offered with or without accommodation.

The log and stone built Licensed BOATHOUSE RESTAURANT with QUARTERDECK BAR and BOSUN'S LOCKER GIFT SHOP overlooks the activities on the water and offers a delicious selection of Scottish Fayre.

Aviemore is just 7 miles to the north and Kingussie 7 miles to the south. Both have many restaurants, shops and attractions. Kincaig, just $\frac{3}{4}$ mile away, has a post office, small shop and restaurant.

Ullapool, Fort William and Braemar are all within a 2 hour drive through some of Scotland's finest mountain scenery.
